

# DARLINGTON BUSHFIRE READY STREET CONTACTS

In a dangerous bushfire, a fire truck may not be available to protect every home. This means residents and homeowners need to be responsible for their own safety.

Bushfire Ready is a local community action program aimed at encouraging local residents to work together in preparing and protecting their families and properties against bushfires. Neighbours work together, share ideas and develop strategies to reduce their bushfire risk. A list of current Bushfire Ready Street Group contacts are listed below:
