Playgroup is a fun environment for young children to play and learn together. It provides parents and caregivers with an

opportunity to share ideas, information and experience. It is a great way to develop friendships and to become part of your community.

Located in the quiet, bush setting behind the Bilgoman Pool, Darlington Family Playgroup currently has groups meeting Tuesday to Friday 9:30-11:30am. New members are welcome to join any of the current sessions. Afternoon sessions and a Monday morning session are available for new groups.

Some new additions to Darlington Family Playgroup in 2009 were a "baby zone", that comprises of a fenced off area especially for infants that are still learning to roll and crawl and need some safe space separate from bigger kids. This area has baby toys, play gyms, mobiles and a wall mirror at mat level, as well as a comfortable sofa with cushions to accommodate breastfeeding mothers. Outdoors we have put in a new climbing frame. It is a great addition to our outdoor play area.

There is a wealth of resources for early childhood experiences from craft, role play, music, books and puzzles to sand, water and outdoor play.
